HOOK (0-3s) * **Visual:** Close-up on Bhavana's face, an overly sweet, forced smile. Quick cut to Dileep looking blissfully pleased. Bhavana's smile instantly drops into an exasperated eye-roll. * **Audio:** *Sfx: Cheesy romantic music sting (0-1s). Bhavana (internal monologue, whisper): Agh... ee porattam njanum kayyum vittu poyi!* * (Ugh... this struggle is out of my hands now!)

BODY (3-20s) * **Visual:** Dileep leans in, a slightly flattered smile. Bhavana puts on her 'sweet' act, leaning in closer, almost invading his space. * **Audio:** Dileep: *Nee enthina ipo enne nokki ingane chirikkunne?* (Why are you smiling at me like this now?) Bhavana (high-pitched, overly sweet voice): *Ayyo ente Moosa! Enikku ninne pirinjaal oru nimisham polum irikkaan pattilla ennariyaamo?* (Oh my Moosa! Do you know I can't even sit for a moment if I'm separated from you?)

- **Visual:** Dileep's eyes widen, a flattered smirk. Bhavana stares intensely at him, then quickly glances around, trying to make other passengers uncomfortable, then pulls Dileep closer by his shirt.

Audio: Dileep (slightly flustered but amused): *Njaan ninne onnum paranjilla!* (I didn't say anything to you!) Bhavana (voice dripping with mock affection, a possessive grip on his shirt, eyes darting around frantically): *Sshhh... aarumenne nokkanda. Ente Moosa, ente kunjalle? Vere orutharae nokki poyal... njaan sahikkilla ketto!* (Sshhh... no one should look at me. My Moosa, aren't you my baby? If you look at anyone else... I won't tolerate it, okay!)

Visual: Dileep looks confused but also proudly accepting. He puffs out his chest a little. Bhavana glares at him, then throws her hands up in exasperation, face palming.

- **Audio:** Dileep (to himself, a smug grin): *Ee sneham... enikku vendi mathram!* (This love... only for me!) *Sfx: Comic 'fail' sound. Bhavana's frustrated groan.*

CTA (20-30s) * **Visual:** Text overlay: "THAT ONE FRIEND WHO NEVER GETS THE HINT ■" followed by "TAG THEM!" and "Which CID Moosa scene is your favorite?" CID Moosa movie poster briefly fades in and out. * **Audio:** *Upbeat, fast-paced CID Moosa theme music swells and fades out.*
